

Parent Webinar Report

This term, Elevate Education has run four online webinars. These fortnightly sessions help to keep parents up to date with the study skills strategies students are being taught in class, and offer insight into how parents can support with learning at home.

Below you can see how parents across the country have engaged with the sessions, the most common questions they've been asking, and some resources to help answer those questions.

Parent Feedback

"I always make sure we are able to watch the Elevate webinars as they have been so helpful, can't wait for next term's sessions!"

"Thank you so much, these are really insightful and such a fresh approach."

'Very informative. Excellent ideas on how to study effectively leading up to exams and new ideas I can share with my Year 12 Child. Great structured approach.'

'To the point, packed with helpful tips. It's not rocket-science, which means it's very practical, applicable advice.'

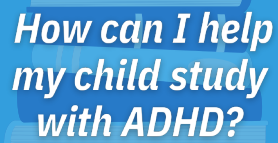

'Spot on with how my child relates to study and the strategies were good - achievable, realistic and not over complicated.'

'Incredible session. I wish I had known this content when I was studying. Thoroughly enjoyed the session and took a lot away from it. Thank you!'

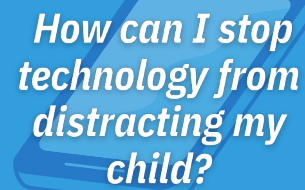

Most Common Questions Asked

Is it better to write notes by hand or on a laptop?

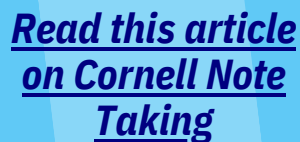

How can I help my child study with ADHD?

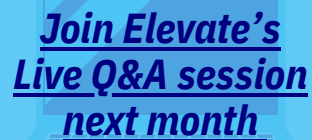

How can I stop technology from distracting my child?
