## PE Success!

In true KNSB fashion and continuing the superb track record of sporting achievement, our Year 7 football team has made it to the Birmingham Cup Final, after an amazing 3-2 win earlier this week.

The final is being held at Aston Villa Training Facility on Thursday 26th March, so will be an incredible experience for the boys.

This has been their road to the final:

- Kings Norton Boys 4-3 Ark St Albans
- Arthur Terry 1-2 Kings Norton Boys
- Kings Norton Boys 1-0 Lyndon
- Park Hall Academy 1-1 Kings Norton Boys : Kings Norton win 4-3 on penalties
- Heart of England 2-3 Kings Norton Boys

## March Safeguarding Newsletter

Our new safeguarding newsletter has arrived, and this month the focus is on the law around AI images and conversations about carrying knives, both really topical

issues. These newsletters give parents clear, accurate, up to date information that is structured to support parental conversations with your son. You can access this [here](#):

### **Year 11 Period 6**

Following the completion of the most recent PPE examinations, Period 6 sessions will recommence from Monday 9th March. With the GCSE summer examinations now fast approaching, these additional sessions are an important opportunity for students to consolidate their learning, address gaps in understanding, and build confidence ahead of the final exams. We strongly encourage all students to attend regularly, as the extra support and practice provided can make a significant impact on their progress and overall outcomes.

### **Year 11 Easter Curriculum Support Sessions**

We will once again be offering additional Year 11 support sessions during the Easter holiday period. These sessions provide valuable, focused time for students to revisit key content, practise exam-style questions, and receive targeted guidance from their teachers at a crucial stage in the course. Many students find that this structured time helps them refine their exam technique and strengthen their confidence ahead of the summer GCSE examinations. We are currently finalising the schedule, and individual student timetables will be shared with families in the coming weeks.

### **Attendance Challenge**

Despite our whole school attendance being above national average, we are continually seek to improve this as we know how important attendance is to the success of our boys. With this in mind, on Monday 9<sup>th</sup> March, we are launching our 20-day attendance challenge, which will of course involve some sweet treats as a reward! The details of this are below. We appreciate your support with encouraging your son to be in school as much as possible.
