<p>Science – Pearson Edexcel</p>	<p>All resources need to be specific to the Pearson Edexcel GCSE Science or Separate Award Science specifications.</p> <p><a href="http://www.physicsandmathstutor.com/">www.physicsandmathstutor.com/</a> - This is the easiest place to find past papers, question banks and revision notes.</p> <p><a href="http://www.sparxscience.com">www.sparxscience.com</a> - Students can revise any aspect of GCSE Science by selecting the independent learning tab and then setting the curriculum to Edexcel GCSE. This will give students access to a huge bank of questions they can use to test their knowledge.</p> <p><a href="http://www.savemyexams.com">www.savemyexams.com</a> - A useful website to guide students through revision.
