Launch of Super Curriculum!

Next week we will be launching our brand-new Super Curriculum activities to students in Years 7-10 now that they have completed their first half term of learning.

What is the Super-Curriculum?
Our Super-Curriculum is a feature of all subject areas. We have introduced this because we want all students, regardless of their starting points, to develop a thirst for learning and have high aspirations. The Super-Curriculum signposts students to materials outside of class-based learning that will open their minds and challenge their thinking in each subject area. There is a variety of resources that students can interact with in a range of ways, and we hope their engagement with these will develop their curiosity, start conversations and inspire a lifelong learning habit.

To support this ethos, these activities will be shared on Satchel One as a 'flexible' task which means that students can choose whether they complete this or not. A date for completion will still be set but students that want to have a go at these tasks will be given plenty of time to complete them.

How to Use the Super Curriculum
We have included one idea to support each half term of learning in most subjects, and where there are clear curricular links within the topics being taught, teachers will make these known to students. They are designed to support, extend and inspire further learning within individual subject areas and across the curriculum. While there are only six per full-time subject to begin with, if students enjoy exploring these Super-Curricular activities, teachers will be more than happy to recommend more! Students completing these tasks and showing evidence of their engagement with them will be rewarded accordingly, but there is no pressure for students to complete these. Where students have a particular interest in one or more subjects, they might start with these to begin with and, as their interest grows, they may wish to branch out.

More About the Super Curriculum
The Super Curriculum operates above both the regular, lesson-based curriculum and our extra-curricular activities. The purpose of it is to promote enquiry, foster enjoyment outside traditional learning and develop critical thinking skills in preparation for life beyond KNSB, however far away that may be at present!

Super Curricular activities will be promoted to *all* students, and those who are inspired to complete them will be rewarded with a 50-commendation Super Curricular reward. They will also be encouraged to evaluate their independent learning with their teachers to develop their critical thinking skills.

We hope that parents and carers will support students that are inspired in their Super Curricular endeavours. Who knows, these activities might just inspire the whole family!

Extra-Curricular Timetable

We are delighted to share with you our Autumn 2 extra-curricular offer (see below). This will take us up to the Christmas break. The table will be updated each half-term and will be shared in advance moving forward. We are extremely lucky to have such a wide range of clubs and extra-curricular activities on offer for our boys.

Please remind your son that it is his responsibility to inform you if he plans to attend a club. Our reception team will be able to advise if a club is taking place or has been cancelled, but it will be difficult to confidently confirm whether your son is attending.

If you have any questions, please contact us on 0121 628 0010 or email enquiry@knsb.kevibham.org with the subject 'Extra-curricular clubs' and we will get back to you as soon as possible.

AUTUMN 2 – EXTRA-CURRICULAR CLUBS

KING EDWARD VI
KING'S NORTON
SCHOOL FOR BOYS

WEEK 1	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
BEFORE SCHOOL				**KNSB Band** (A1.12)

Year 10 and Year 7 Parents' Evening Advance Notification

Year 10 Parents' Evening will take place on **Thursday 26th November** in the Sports Hall and the Year 7 one will take place on **Thursday 3rd December**. Booking takes place via our online Arbor platform and for Year 10 this opens at 7pm this evening and for Year 7 booking will open at 7pm on Friday 20th. The booking for each event will remain open until the day before the Parents' Evening is due to take place. We recommend that you make a note of your time slots and bring this with you on the day of the event. If you have any difficulties logging on, please get in touch via enquiry@knsb.kevibham.org.

There will be representatives from both the SEND and Pastoral teams at Parents' Evening, but booking is not available for these staff.
